TRUSTEES' MEETING

DECIDE TO CALL ELECTION TO VOTE BONDS TO INSTALL MUNICIPAL TELEPHONE SYSTEM

The Board assembled at 8 p. m., May 15, 1919. All members present.

The minutes of the last regular meeting were read and approved.

Old communications were called for, and Wm. Brunton addressed the Board in reference to proposed improvement of Mariposa street from Windsor Road southerly. Mr. Brunton was advised to put a petition into circulation to be signed by as many property owners as desire the improvement to be made, indicating their wishes.

The matter of a municipal telephone system and the present status of the controversy in regard to telephone rates was brought to the attention of the Board by Mr. Woodward, followed by Messrs. Owen, Cowan, Booth, Clinton, and others, and the matter was discussed informally at considerable length. A report was called for from the Engineer of the Public Service Dept., who stated that he only could report progress in the short time that he had given to the matter, but stated that investigation had shown that his previous estimate of the cost of a municipal system is practically correct, namely: $300,000.00. Mr. Clinton gave some details as to the success of a mutual telephone company in a town in which he formerly resided in British Columbia. Mr. Cowan stated his belief that any relief given by any decision of the Supreme Court in the present case, or by action of Postmaster General Burleson would only be temporary; that the disposition of the company seemed to be to enforce higher rates as long as it had it in its power to do so.

On motion of Trustee Henry, a motion was adopted by roll call, all voting aye, authorizing the employment of an engineer thoroughly familiar with the telephone business to work in conjunction with the Engineer of the Public Service Department, and to secure and make report as soon as possible in regard to the cost and other details connected with the subject that it is desirable to secure at the present time.

On motion of Trustee Woodberry, it was declared to be the intention of the Board of Trustees, if the report of the Engineers warrants such action, to order an election at which will be submitted to the people of Glendale the question of the establishment of a municipal telephone system.

A hearing of an application of the Los Angeles and Santa Paula Daily Express for permission to operate motor trucks over the streets of the City of Glendale having been set for this date was called up at this time. There being no one present representing the applicant, on motion of Trustee Shaw the hearing was postponed until 8 o'clock p. m., May 22, 1919.

Application was presented from Platt's Tire Store, 129 South Brand Blvd., for permission to install a curb gasoline pump on sidewalk in front of the applicant's place of business. On motion of Trustee Henry, it was ordered that the request be granted.

A communication was read from the agent of the Southern Pacific Ry. Co., Glendale, calling attention of the Board to former correspondence and presentation of the bill amounting to $779.97, for removal of the tower at Tropico, desiring to be informed as to what action had been taken in regard to payment of the same, and requesting that the matter be attended to promptly. On motion, the communication was referred to City Manager and the City Attorney to look into the matter in regard to the obligation of the city and to report as to whether the work had been performed.

City Clerk presented a communication from the Board of Supervisors of Los Angeles County to the effect that he had been authorized to file claim against the County for the sum of $2,056.45, being the amount of road funds due the City of Glendale on account of annexations of territory May 22 and August 7, 1918. That he is also authorized to file claim, amount to be stated later by the County Auditor, on account of recent annexation of a portion of the Verdugo lighting district to the City of Glendale.

On motion of Trustee Shaw the City Clerk was directed to file claim in accordance with the letter presented.

The City Manager made a statement in regard to lot cleaninig to the effect that this matter had been made more difficult by the turning over to the County of Los Angeles the collection of municipal taxes, and expressed his doubt as to whether it would be advisable for the city to undertake the work under the same course of procedure previously followed. He suggested the possibility of said work in this direction being done under the authority of a different law, and Chairman of the Board appointed the City Manager and the City Attorney a committee to investigate the matter.

The City Manager reported that he had written General Manager Shoup of the Pacific Electric Railway Co. and furnished the Board of Supervisors with a copy of the letter, requesting action as soon as possible in the matter of the construction of the bridge at Brand Boulevard and the wash.

The City Manager had prepared the draft of an ordinance amending the building ordinance, and the same was presented by Trustee Woodberry, read, and laid over. He also had prepared an ordinance amending the traffic ordinance, which was presented by Trustee Shaw, read, and laid over.

City Manager reported on the condition of the Glendale & Montrose railway tracks at the junction of Broadway and Glendale Avenues, to the effect that the company is preparing to install another track at that point, and on motion of Trustee Henry it was ordered that the company be notified to have this work done within two weeks from date.

The manager of the Public Service Department made a report on the requirements of that department in regard to water development, construction of a reservoir and other improvements, all at an estimated cost of $196,000, this report being made pursuant to instructions given him by the Board of Trustees' meeting of February 27, 1917.

On motion of Trustee Shaw, the City Attorney was instructed to draw up a resolution covering the recommendations of the engineer of the Public Service Department calling an election to decide upon the issue of bonds in the amount and for the purpose stated.

On motion of Trustee Shaw, the engineer of the Public Service Department was instructed to procure information at once and make a recommendation to the Board as to the proper person to be employed to work in conjunction with him on the telephone matter.

On motion of Trustee Woodberry, it was ordered that when the Board adjourned it would be to meet on Monday, May 19, 1919, at 8 o'clock p. m.

On motion of Trustee Shaw, the City Attorney was instructed to prepare a resolution calling for an election to pass upon an issue of bonds in the amount of $200,000 for the acquisition of a public park, auditorium, and so forth, as per resolution adopted at a recent mass meeting of citizens, held at the High School auditorium.

The City Attorney had read to the Board a communication addressed to him by the Railroad Commission of the State of California in regard to the payment of telephone bills. The letter stated that because of doubtful jurisdiction, and pending the determination of the same by the Supreme Court, the Railroad Commission will not receive deposits in dispute of the inter-state rates now being charged by any of the companies.

The City attorney reported that he had in his possession the contract between the city and the successors of the Newport Company in Verdugo Canyon in regard to water rights, etc., properly signed and executed.

On motion of Trustee Shaw the people are requested to send in the names of soldiers and sailors who volunteered in the service of the United States during the late war, so that they may be furnished with a copy of the memorial prepared by the Board of Trustees.

Trustee Shaw presented and moved the adoption of a resolution, copy of which is to be forwarded to each of the Senators and to all of the Congressmen of the State of California, expressing the opinion of the Board that all necessary steps should be taken looking to a speedy return to private ownership of the telephone lines and systems of the country. A copy of the same to be furnished to such Senators and Representatives.

DESTRUCTIVE FIRE

MRS. FANNY BRIGGS CARR'S HOME AND LABORATORY MUCH DAMAGED

Glendale Fire Co. No. 1 responded to an alarm of fire Thursday afternoon between four and five o'clock. Both engines made a quick run for black smoke in great volumes could be seen in the eastern part of the city. The fire proved to be in Mrs. Fanny Briggs Carr's home and laboratory for the manufacture of toilet articles, at 1601 East Colorado. When the firemen arrived the whole long structure seemed to be doomed. One engine stopped at the nearest hydrant fully 1000 feet from the scene of the fire and attached the hose while the other took position for quick action. Soon heavy streams of water were pouring on the flames which were arrested almost instantly. Two large rooms were saved from burning. Mrs. Carr was badly cut about the face and arms in trying to put out the fire. She declared it was caused by crossed electric wires. The house was built entirely of wood and there was much paper scattered about the rooms. Mrs. Carr claims her loss was fully $2000 with no insurance.

SCHOOLS TO ADOPT ORPHANS

Glendale Grammar Schools were visited Thursday by Miss Franklin on behalf of French war orphans and in the interest of tag day for the same cause, which has been set for May 24th. The children became very enthusiastic over the idea, the pupils in some rooms proposing to adopt a special orphan who would be all their own by raising the requisite $36.50 for the child's support for one year.

MARRIAGE OF MARGARET STAUFFACHER

A function of supreme importance to the parties most deeply concerned occurred Thursday evening at the home of Mr. and Mrs. J. W. Stauffacher, of 721 Orange Grove Avenue, when their only daughter was united in marriage to Henson Rogers, of Dallas, Tex. It was an exceedingly pretty wedding, of which a full account will be published tomorrow.

ENTERTAINS FOR MOTHER

Mrs. Fred Stofft, of 207 Hawthorne street, entertained Wednesday afternoon with a pretty party in honor of her husband's mother, Mrs. Louise Stofft, of Calgary, Province of Alberta, Canada, who is her house guest. It was a social afternoon interspersed with music. Pink roses and ferns were effectively used to make a pretty setting for the affair, and light refreshments were served. About twenty-two ladies, all of Glendale, enjoyed Mrs. Stofft's hospitality.

SOLDIER RETURNS TO CHAFFEE'S

Ernest Collins, a returned soldier, today goes back to his old job in the Chaffee Grocery in charge of the meat department. He was in charge when the Glendale store was established and left his position to enter the army where he was with the Supply Train of the 91st Division.

Mrs. R. G. Putnam and daughter Joan, and Mrs. C. S. Martin, wife of Sawtelle's postmaster, were guests of W. C. Cutler and wife, 1327 North Louise, yesterday.

UNCERTAINTY AT VERSAILLES

FIUME QUEESTION STILL UNSETTLED, AND GERMANY IS STILL THREATENING TO REJECT TREATY

(Special Service to Glendale Evening News)

Paris, May 16.—Observers agree that danger is lurking behind the peace settlement. Protests against various phases of the treaty have been received from numerous sources. It is pointed out that everyone seems too ready to fight, as has been the case after practically every big war in history.

The Fiume question is still the knottiest problem. No progress apparently has been made toward a settlement. The Italian army occupies territory that Italy claims, and the question is: "Who will drive them out?"

Meantime declarations that Germany will not sign continue to be made. Berlin press dispatches quote the German foreign minister as saying Germany will not sign because it cannot fulfill the terms. A Berne dispatch quotes Herr Graf, German majority Socialist, as declaring: "Only an idiot would sign such a peace." The Berlin "Vorwaerts" and the "Lokal Anzeiger" are urging a referendum vote on the treaty. "The "Munich Post" urges signing under protest.

American officers in Berlin have ordered all members of the American missions to Germany to exchange their uniforms for citizens' clothes before appearing on the streets, fearing that the American uniforms will incite demonstrations.

Arthur Henderson, the British labor leader, declared in an interview today: "My advice to the Germans would be, 'Sign the treaty.'"

TAXES WILL BE A CAMPAIGN ISSUE

REPUBLICAN LEGISLATIVE PLAN INCLUDES RETURN OF PUBLIC UTILITIES TO PRIVATE OWNERSHIP

(Special Service to Glendale Evening News)

Washington, May 16.—Many Congressmen predict that taxes will be the biggest issue of the 1920 campaign. They declare that is the reason behind the great interest which is being taken in the efforts by Progressives to keep Penrose and Warren from heading the finance and appropriation committees in the Senate. Senator Borah estimates that five billions annual taxation will be required "for some time to come."

The differences which appeared to threaten Republican harmony seem to be wearing away. The House Republican steering committee announced that it would submit to a Republican caucus a legislative plan for ten measures, including: The repeal of luxury taxes; the return of telephone and telegraph lines to private control; the adoption of a definite shipping policy; the settlement of the railroad problem; national woman's suffrage; a national budget system; tariff revision; and aid for discharged service men.

ENFORCEMENT OF PROHIBITION

NATIONAL GOVERNMENT FINISHES ITS PROGRAM FOR CARRYING OUT PROVISIONS OF THE LAW

(Special Service to Glendale Evening News)

Washington, May 16.—The government has practically finished its program for the enforcement of prohibition. It includes: The use of internal revenue inspectors to report violations; the collection of a manufacturer's tax on all beverages containing over one-half of one per cent of alcohol; the commencement of proceedings by the Department of Justice against brewers making 2 3-4 per cent beer immediately following a court decision on the status of such beverages.

It is believed that nothing can prevent prohibition now except a court decision declaring it to be unconstitutional, or the repeal of the war prohibition act by Congress.

JOYFUL RETURN

MEN OF 117TH ENGINEERS, RAINBOW DIVISION, WELCOMED, BIG DEMONSTRATION

Of the many demonstrations which have taken place in Los Angeles when men of the A. E. F. have returned, none surpassed the welcome given the 117th Engineers of the Rainbow Division (the 42d), when they arrived Thursday morning at 7:30 o'clock. Always there have been crowds of relatives and friends but the crowds seemed denser than ever before on this occasion and some had been waiting since daylight fearing the train might get in earlier than announced and that they would somehow miss it.

And the flowers! It was a literal shower of roses. About two hours were consumed at the station in the first reception by relatives and at ten the parade to Pershing Square was formed. Leading it were automobiles containing Major B. B. Ray, Grand Marshal, and staff; Mayor Woodman, Watt L. Moreland, President of the Chamber of Commerce; H. B. Woodill, of the Merchants' and Manufacturers' Association. About 2000 cadets of Los Angeles High Schools, University of Southern California and Throop College of Technology formed a guard of honor. When the Square was reached 263 veterans of this splendid organization of which California is so proud were reviewed by General Frederick Strong, Commander of Camp Kearny; Rear Admiral Fullam, Commander of the Pacific Fleet; Col. Mygatt, of the Arcadia Balloon School; Col. Falls, Commander of Los Angeles School Cadets; Col. Penrose and Col. J. M. Williams, of Fort McArthur. Addresses were made by Dean William MacCormack, Mayor Woodman and Dr. Albert Shiels, Superintendent of Los Angeles Schools. Then a splendid luncheon, prepared by the War Camp Community Service, was enjoyed and the men were given liberty until night when they took the train for San Diego, where they will be discharged by Camp Kearny officers.

The Glendale boys were brought home for dinner in most instances and there were happy family reunions in many homes. This was true of Douglas Balthis, Stanley Gorman and of Fred Burt, who had special reason for hurrying home because his mother is not sufficiently recovered to go to Los Angeles to meet him. Edwin Sadler was also in Glendale having dinner with his mother at the home of his sister and brother-in-law, Mr. and Mrs. E. L. Young, who reported that he was about 25 pounds heavier than when he went away and looking fine. Indeed, that was the report from all the homes.

Only one of the boys who went from Glendale was not here to participate in the rejoicing over their home coming, viz., Ed Burlingham, who is now in an Eastern hospital recuperating from wounds which are said to have caused the loss of a foot.

Others in the "bunch" were Joe Barnett, Holman Midcalf and Hugh Freeman, of Glendale, and Dale White, Elmer Gee and Ed Sherriger of Eagle Rock. Three others, who had been discharged from hospitals, were sent ahead and have been in Glendale for a few weeks, viz., Frank Littell, Howard Rockhold and Sergeant C. A. Pollock, who has been the welcome guest of Mr. and Mrs. W. E. Borthick of 206 West Elk, where he has made his home for several years. He has now returned to his old job as conductor on the P. E. and will live in Los Angeles. It is rumored that he will soon have a wife and home of his own, possibly in Glendale, where he owns property.

Still another member whom Glendale claims because he enlisted here is Walter Grassell, whose home is in Pittsburg, and who was discharged in the East.

Such a return when one considers the hazardous tasks performed by the 117th Engineers seems little short of miraculous, and Glendale has reason for great thanksgiving; for it was their mission to pave the way for the advance of the Infantry in the great battles of the war, to make the roads and lay the bridges, and establish the look-out posts on the mountain tops where the trucks were able to bring the material they used only part way and the balance of the distance it had to be transported on the backs of mules or even carried by the men. They tell some thrilling stories of the sights they witnessed from some of those stations, and other stories of German brutality to men and women prisoners, whom they saw working in the fields under the whiplash of military overseers, which make the blood boil in the veins of those who hear them, and it is small wonder they made the soldiers see red and spurred them to the achievement of the seemingly impossible tasks which they accomplished in the Argonne and elsewhere.

All California welcomes them with joy, but Southern California feels an immense pride in these boys who so worthily represented us in the thick of the fighting.

The Woman's Auxiliaries of Companies E and F are planning to give a banquet, dance and reception for the boys as soon as they are discharged. This will, of course, take place in Los Angeles and will be duly announced.

PERSHING CAMP

UNCLE SAM'S BOYS HOLD ENTHUSIASTIC MEETING FOR BUSINESS

The regular meeting of Pershing Camp, League of American Defenders, was held last evening in Elks' Hall. There was between 50 and 60 present and 15 new members were taken in. Messrs. F. D. Lanterman, Mattison B. Jones and F. L. Muhleman, members of the late Exemption Board, who had been elected to honorary membership in the camp, replied, warmly and courteously accepting the honor. The committee appointed to confer with the Grand Army men on a joint celebration of Decoration Day, reported that matters are progressing favorably. The G. A. R. veterans will be in charge, of course, and they cordially welcome the co-operation of the younger men. It is planned to make this the greatest observance of Decoration Day ever held in Glendale. Further details will be given out after the meeting of the G. A. R. post next Monday night and the Camp will hold a special meeting next Thursday night to perfect arrangements. As planned now, the G. A. R. men in uniform and the Pershing Camp members and all other returned soldiers, also in full uniform, will head a parade along the principal streets of the city, followed by members of all other fraternal orders and civic organizations, and citizens in autos.

The Camp is planning a hike for some Saturday afternoon, when the members will take bedding and camp equipment and go up in the hills somewhere and stay till Sunday evening.

Pershing Camp is full of pep and enthusiasm. It is going to prove a boon to the service men of the valley.

EPWORTH LEAGUE RALLY AT EAGLE ROCK

The Epworth Leagues of the Glendale sub-district, including Casa Verdugo, Tropico, West Glendale, First Church and Eagle Rock Leagues are planning a rally at Eagle Rock Methodist Church Friday, May 16th, at 8:00 o'clock. The Glendale Leaguers are planning to take the 7:15 car. All wishing to go should take that car and go with the crowd. A rousing good time is assured to everyone who goes. Come and join the crowd.

PLEASANTLY SURPRISED

Miss Evangeline Huntley was guest of honor and delightfully surprised with a miscellaneous shower at a beautiful afternoon affair given by her uncle and aunt, Mr. and Mrs. W. L. Gardener in Los Angeles. The living room of their attractive home was decorated with streamers of asparagus plumosus and red roses, while in the dining room the same fern was used in festoons studded with Cecil Brunner roses from which was suspended a basket of the dainty roses.

All the guests were of Los Angeles except Miss Huntley, her mother, Mrs. J. G. Huntley, Mrs. J. Herbert Smith, Miss Charlotte Castle, and Mrs. Clyde Thedaker of this city.

ROYAL HOSTS

When the Juniors entertain the Seniors June 6th, they will do it up brown, and give them a royal good time.

To begin with, the guests will be conducted by their hosts and hostesses to the Palace Grand Theatre where the entire balcony has been reserved for the two classes. At the end of the play they will repair to the High School Gym and spend the balance of the evening in dancing except when the refreshments of ice cream and cake are served in the cafeteria.

Heretofore the Junior classes have given a banquet to their retiring "superiors," but this year's class decided to vary the monotony.

INTERMEDIATE GAME

The ball game on Intermediate Field Friday noon was between Angels and Tigers, Horatio Butts pitching for Angels, Gordon Richardson for Tigers. In the third inning Charnley McComb made a home run. Four innings were played with a score of 13 to 4 in favor of Tigers.

TRADE MARK

The City of GOODRICH Akron, Ohio

When is A Fellow Past his Prime

Somebody is always taking the joy out of life,

By asking—

At what age a man outlives his usefulness.

Once a wise old doctor said it was *forty.*

But the chaps, who ought to have quit,

Just kept on running things—

Being presidents of banks, and factories, and countries—

And winning wars.

Just like Goodrich Tires!

You never can tell when they're through—

For they keep on grinding out mileage—

After you haven't a right to expect more miles.

That's because Goodrich makes them husky of body—with thick, wide **BLACK SAFETY TREADS.**

And puts so much durability into them—

That when they start,

They go on piling up Goodrich service value.

THE REASONABLE WAY

The Glendale teachers are entering earnestly into the fight for a better wage. They are using no violence and threatening no strike, but by means of handbills and taking space in the Evening News' advertising columns they are putting their claims fairly before the taxpaying public. Fair, reasonable methods like these are sure to win. Much is owed to the work of the faithful public school teacher and surely "the laborer is worthy of his hire."

NOTICE OF TRUSTEE'S SALE

WHEREAS, R. Enid Rheinschild and Walter M. Rheinschild, by a Deed of Trust dated August 9, 1918, recorded August 15, 1918, in Book 6724, page 37, of Deeds, in the office of the County Recorder of the County of Los Angeles, California, did grant and convey the premises therein and hereinafter described to TITLE INSURANCE & TRUST COMPANY, as trustee, to secure, among other things, the payment of one promissory note, dated August 9, 1918, made by the said R. Enid Rheinschild and Walter M. Rheinschild, for the sum of $600.00, payable three years after its date to the order of J. Albert Johnson, with interest from its date until paid, at the rate of seven per cent per annum, payable quarterly, or compounded; and,

WHEREAS, default has been made in the payment of said promissory note, and a breach has been made in the obligation for which said Deed of Trust is a security, in this, that the interest payment due upon said note oa November 9, 1918, was not then paid; that said principal sum and interest thereon from August 9, 1918, is owing and unpaid; and,

WHEREAS, said Deed of Trust provides that if default be made in the payment of any of the sums of principal and interest when due, the owner and holder of said note may declare the whole of the principal and interest thereof immediately due and payable and require the said trustee to sell the property thereby granted; and,

WHEREAS, the said J. Albert Johnson has declared that default has been made as aforesaid and has declared the whole of said principal sum and interest now due and payable and has demanded that said trustee shall sell the premises granted by said Deed of Trust to accomplish the objects of the trust therein expressed; and,

WHEREAS, said J. Albert Johnson, being the holder of said note under said Deed of Trust, did record in the office of the County Recorder of the County of Los Angeles (being the county wherein the real property covered by said Deed of Trust, and hereinafter described, is situated), a notice of said breach, and of his election to sell or cause to be sold said property to satisfy said obligation, which said notice was recorded on February 13, 1919, in Book 6776, page 283, of Deeds, Records of said county;

NOW, THEREFORE, notice is hereby given that the undersigned, by virtue of the authority in it vested, as trustee, will sell at public auction, to the highest bidder for cash, in United States gold coin, on Monday, the 9th day of June, 1919, at the hour of eleven o'clock a. m. of said day, at the Fifth Street entrance of the Title Insurance Building, corner of Fifth and Spring Streets, in the City of Los Angeles, California, the interest conveyed to it by the aforesaid Deed of Trust in and to the real property therein described, situate in the City of Glendale, County of Los Angeles, State of California, described as follows: Lot Thirty-four (34) in Block L of the Glendale Valley View Tract, in the City of Glendale, County of Los Angeles, State of California, as per map recorded in Book 9, page 157, of Maps, Records of Los Angeles County, to pay the principal sum of said note, to-wit, the sum of $600.00, and the interest thereon from the 9th day of August, 1918, at the rate of seven per cent. per annum, compounded quarterly, sums, if any, advanced under the provisions of said Deed of Trust, the expenses of said sale; and the expenses of said trust in the sum of $75.00. Terms of sale cash in United States gold coin.

Dated, May 15, 1919.

"Justice for the Foster-Parents of Our Children"

(Excerpts From an Editorial in the Literary Digest for May 10, 1919)

"It is strange that the generous-hearted American people, who poured out their riches so prodigally in response to every patriotic, every charitable appeal, and who accorded such enthusiastic and liberal support to every measure and to every group that helped win the war, should have neglected to properly encourage and reward the services of one of the noblest professions in the field of human activities—a profession that in lofty ideals, in unselfish principles, in sacred responsibilities, stands side by side with the ministry of the Gospel itself.

"We wish to bespeak, with whatever power and authority we may have and with such words as may be granted to us, some measure of consideration for the foster-fathers and mothers of our children—the school teachers of the United States of America.

"The men and women who are making the Americans of tomorrow are being treated with less consideration than the janitors who sweep out the buildings in which they are employed; they are earning on the average less than the wages given to the scrubwomen employed in the public buildings of the United States Government. Normal school graduates receive less salary than street sweepers; high school principals and superintendents less than section foremen; country school teachers less for instructing the farmer's children than he pays his hired man to feed his hogs.

"No wonder there are fifty thousand vacancies in the teaching forces of the schools. No wonder the ranks are being filled with weak men and with immature women who merely use the profession as a stepping stone to something better.

"Never has there been a more urgent need for high-minded, great-hearted, splendidly trained, 100 per cent American instructors to drive home the vital lessons that these times hold. Never has the future of the nation been so clearly committed into the hands of the teachers. And yet thousands of men and women of ability who would prefer to teach are reluctantly leaving their chosen calling, forced by the hard necessities of their very existence.

"The teachers ask no largess at the hands of fortune. They enter their profession for service, not riches. But they invest years and money in preparation for their life-work and the knowledge they gain is shared with others who themselves use it to their own profit. Teachers, then, by every right and in all justice, expect a return that will permit them and their dependents to live decently and in comfort."

NOTICE

NOTICE OF THE RECORDING OF THE ASSESSMENT AND DIAGRAM FOR THE OPENING AND WIDENING OF ADAMS STREET FROM THE NORTH LINE OF FIRST STREET (NOW LEXINGTON DRIVE) TO THE SOUTH LINE OF MONTEREY ROAD AS CONTEMPLATED IN ORDINANCES NOS. 249 AND 261.

Public notice is hereby given that the assessment and diagram for the opening and widening of Adams Street from the North line of First Street (Now Lexington Drive) to the South line of Monterey Road as contemplated in Ordinances Nos. 249 and 261 was recorded in the office of the City Manager and ex-Officio Street Superintendent of the City of Glendale on the 9th day of May, 1919. The date of the first publication of this notice is the 10th day of May, 1919.

All sums levied in the said assessment are due and payable immediately, and payment of said sums is to be made to me in my office at the City Hall in said City within thirty days after the first publication of this notice, to-wit: on or before the 9th day of June, 1919. All assessments not paid on or before the said 9th day of June, 1919, will become delinquent and thereupon 5% of the amount of each such assessment will be added thereto and the property advertised for sale, as provided by law.

T. W. WATSON,
City Manager and ex-Officio Street Superintendent of the City of Glendale. 212t10

LISTEN TO THIS

Do you want to get in on a high-class investment in an income business property in the heart of the Business District, where your investment will bring you 10 per cent. annually, besides getting the advantage of the increase in value of this boulevard frontage. This proposition is absolutely the best thing in town today, and will merit your investigation.
